Cocaine is a gripping novel that delves into the dark and dangerous world of drug addiction. The story follows the lives of three main characters: a young doctor, a police officer, and a drug dealer. As their paths intertwine, they are each forced to confront their own demons and the consequences of their actions.

The young doctor, Enrico, is a brilliant surgeon with a promising career ahead of him. However, he is also struggling with a cocaine addiction that is slowly destroying his life. Enrico's addiction began as a way to cope with the stress of his job, but it has quickly spiraled out of control.

The police officer, Marco, is a dedicated and experienced detective who is determined to bring down the drug dealers who are flooding the city with cocaine. However, Marco's own personal life is in shambles, and he is struggling to come to terms with his own demons.

The drug dealer, Nicola, is a ruthless and ambitious man who is driven by greed and power. Nicola is determined to build a drug empire, and he will stop at nothing to achieve his goals.

As the lives of these three characters intertwine, they are each forced to confront their own demons and the consequences of their actions. Enrico must face his addiction and the damage it is causing to his life. Marco must come to terms with his own personal demons and find a way to balance his professional and personal life. Nicola must confront the emptiness of his own life and the futility of his pursuit of power.

Cocaine is a powerful and addictive story that explores the dark and dangerous world of drug addiction. Carofiglio's writing is both gripping and thought-provoking, and he does an excellent job of portraying the complex and often contradictory nature of addiction.
