The story of Sleeping Beauty is thought to have originated in the 14th century. The first known written version of the story was published in 1634 by Giambattista Basile in his collection of fairy tales, the Pentamerone. Basile's version of the story is much darker than the versions that are told today. In Basile's version, the princess is awakened not by a kiss, but by the birth of her twins.

The Brothers Grimm published their version of the story in 1812. Their version of the story is the one that is most familiar to people today. In the Brothers Grimm's version, the princess is awakened by a kiss from a handsome prince. The prince and princess then marry and live happily ever after.

The story of Sleeping Beauty has been a popular fairy tale for centuries. The story has been adapted into many different forms, including books, movies, and ballets. The story has also been the inspiration for many works of art and music.

The story of Sleeping Beauty is a classic fairy tale that has captured the imaginations of people for centuries. The story is a timeless tale of love, courage, and hope. The story reminds us that even in the darkest of times, there is always hope for a happy ending.
