The mind wanders free,

Like clouds in the blue sky,

A day of respite.

The city awakens,

Bustling with life and sound,

A symphony of noise.

## **Thursday**

Halfway through the week,

The weight of work presses down,

A day of toil and strife.

## **Friday**

The weekend draws near,

A sense of relief pervades,

A day of anticipation.

## **Saturday**

A day of leisure,

To pursue one's passions,

A day of joy and freedom.

## **Sunday**

The week draws to a close,

A day of reflection,

A day of peace and renewal.
